

MORPHOSIS

HAIR TREATMENT LINE

clean and conscious beauty
a *cleanical*, prescriptive approach to scalp and hair care

Your hair reflects your personality and style, requiring a healthy scalp to maintain its overall health and beauty. Pollution, stress, overuse of styling tools, and chemical treatments can leave hair dry, damaged, and lackluster. At Framesi, we understand the importance of nourishing your hair and scalp for the perfect look.

Welcome to the world of MORPHOSIS, where we cater to your client's unique hair and scalp needs. As a dedicated stylist, your passion for exceptional hair care solutions is unmatched.

Indulge in our premium hair and scalp treatments, and discover our exquisite salon menu. Treat your clients to customized luxury hair and scalp care products and collections formulated for every hair type, texture, and concern. Let us elevate your expertise in providing exceptional hair care solutions.

Scalp and hair problems are often affected by a combination of factors.

STRESS

- emotional
- physical
- trauma
- diet & nutritional deficiencies

ENVIRONMENT

- pollution
- sun, chlorine
- wind
- minerals from water

PHYSIOLOGICAL CHANGES

- genetic factors
- hormonal factors
(thyroid problems, acne, menopause, pregnancy, DHT)
- medications, chemotherapy

AGGRESSIVE CHEMICAL TREATMENTS

- haircolor / bleaching
- permanent waves / relaxers
- mechanical stress (flat irons, brushes)

SEASONAL CHANGES

- Spring
- Summer
- Fall
- Winter

These factors can cause a gradual deterioration in the condition of scalp and hair.
